VIII. New Business

- a.** Snowy Range vision contacted, never emailed back. SOS is usually a 4-day course.
- b.** Jess got a hold of individual with vestibular course. Jess talked to Dr. Lynn Kenny, her course revolves around behavioral intervention working with rhythm and timing. Auditory and vision movement integration. Most everything she has been doing is backed by research. She is partnering with an OT right now working on cog, visual, music integration, etc. Kinetic classroom training. She can do labs and research. We would need to have at least 25 practitioners to cover the course.
- c.** Early Bird and Regular and Same day pricing. Motioned by Jess, seconded by Jacque.
- d.** Going with Mckenzie for Phys Dys. All in favor for Mckenzie for Phys Dys.
- e.** Between feeding and kinetic classroom training. Jacque motions for kinetic classroom. All in favor.
- f.** Will pursue save the dates on vista print this year to save cost and send out on our own.
- g.** Phylicia and Jess will meet for budget
- h.** Jacque and Jess will meet for discussing how processes will work for getting money to Jess.
- i.** Jacque finalize save the dates once course titles slotted.
- j.** Jess in charge of Peds (Shellie and Leigh Ann).
- k.** Jacque and Phylicia working together on Phys Dys course.

Motion to adjourn meeting by Phylicia at 8:36PM.
